DIVISION OF ADMINISTRATION OFFICE OF CONTRACTUAL REVIEW

ANNUAL REPORT FY 2000-2001

The Office of Contractual Review is charged by law with adopting rules and regulations for the procurement, management, control and disposition of all professional, personal, consulting, and social services required by state agencies, boards and commissions of the executive branch of Louisiana government. The Office of Contractual Review decides all matters of policy relative to professional, personal, consulting, and social services. The contracts received at the Office of Contractual Review are reviewed to ensure that they comply with all laws and regulations, that funding is available and the proposed services are reasonable and advisable, while not substituting personal judgment for that of the agency on programmatic issues. The review process also ensures that a central record of all such agreements is maintained and that comparative statistics in the number and kinds of services can be developed for planning purposes. The Louisiana Revised Statutes Title 39: 1481-1526 directly addresses the laws governing professional, personal, consulting, and social services contracts. The official rules and regulations of the Office of Contractual Review appear in Title 34, Part V of the Louisiana Administrative Code.

Additionally, Executive Order MJF 96-24 and MJF 00-38 requires that all cooperative endeavor agreements be reviewed and approved by the Office of Contractual Review where there is an expenditure of public funds.
